Jim & Linda:

As voice mailed earlier today, Charlie Iszard indicated to me that George Fairman will not be working for Pick Kwik as earlier indicated. Apparently he has accepted another position. Hess will be assigning someone from Headquarters to assume his position.

Charlie also indicated that the PM Exclusive scenario will most likely be retained until January 1998.

Based on this decision we should talk later this week about:

> Our position on SIGNATURE with regard to Pick Kwik.
> Possibility of any rebuttal, or pursuing a possible change to Coexistence beginning with the 4th Quarter.

To start the ball rolling, I faxed the attached to Charlie this morning.

Let's talk later in the week.
